

**STARTS 7TH MARCH 2016**

# **ORAL HEALTH EDUCATION AND PREVENTATIVE CARE**

**1**

## **SPLIT INTO 3 SECTIONS:**

Online classrooms / Theory, practical and revision this course will lead you to an Oral Health Education qualification.

The online classrooms are held over 8 weeks and are recorded so you can watch them back as many times as you wish to.

## **PRE REQUISITES:**

To be eligible for this course you must:

- Be registered with the General Dental Council
- Have the support of a GDC registered dentist to assist you with your practical work
- Have access to a computer with an internet connection and speakers

## **LEARNING MATERIALS:**

We will provide you with all the course materials you will need such as:

- 7 week online course
- The textbook: 'Basic Guide to Oral Health Education' by Ann Felton and Alison Chapman

## **SUPPORT:**

We provide tutor support throughout the course, the time you are preparing your portfolio and up to your exam

## **PRACTICAL WORK AND EXAMINATION:**

Students must submit a practical portfolio which counts towards 50% of your final mark. The examination is taken online.

## **FEES:**

**£475 per student**

Please note an exam fee of £124 is payable once the student has completed his/her practical work and is ready to sit the final examination.
